The Story of Deep Love

We are a family of explorers, seeking new sights, flavors, and experiences everywhere we go. Deep Love represents that -a company of plant-based flavors, each one representing a different region that our family has called home. During a trip to Istanbul, Turkey, taking a break in a little gift store in the courtyard of the famous Hagia Sophia, I came across a lovely rose beverage adopted from the ancient Sultans. This experience inspired me to start a beverage company. DJ Rassech, Founder.
