FOR IMMEDIATE RELEASE 4/6/2022.

Summer Fancy Food Show Booth 842

After a long period of no trade fairs, we are back and will be presenting at the upcoming Fancy Food Show in New York City on June 11 – 14, 2022.

Miami, Florida: Deep Water USA Inc. has had a fantastic year even with Covid-19 being around.

Once Covid-19 struck, many young companies, as ours, were not sure what the year was going to bring. After an initial slowdown, things started to pick up and we were able to double sales in 2020 and again in 2021. So far in 2022, we are on target with our expectations. Please visit our website and go to www.drinkdeeplove.com/images for detailed info.

DEEP WATER USA INC. We are an exclusive beverage company targeting the discerning consumer looking for something distinctive. We are introducing floral beverages from the ancient world to the modern. An all-natural drink with only 50 Cal.
